

International Journal of Research in Business Studies is an open access double blind peer reviewed journal. The journal could be found online on www.ijrbs.com.

The purpose of the journal is to provide an intellectual platform for scholars to discuss and publish their work. IJRBS promotes interdisciplinary and transdisciplinary research in business studies. It is committed to sharing of knowledge beyond the single-discipline or single-country by offering a meeting space for scholars at large.

In IJRBS, original research papers – empirical and theoretical, and reviews are published to inform the current researches and practices in all areas of business studies.

Contributions are invited from all fields which have relevant and insightful explanations to make about the business studies. The papers may be framed in theoretical or speculative model as well as in statistical and mathematical.

IJRBS invites paper through it's yearly conference titled "International Conference on Research in Business" as well as it accepts papers with open invitation. Send your paper to conference@icrb.international or contact@ijrbs.com
